MEMORANDUM

TO: Miss Nancy Hanks
Office of the Special Assistant
to the President
Room 204 EOB

FROM: Neilson C. Debevoise *13*

SUBJECT: The Daily Intelligence Abstract

At Mr. Staats' direction, I am having sent to you on a daily basis three copies of the Daily Intelligence Abstract (DIA), produced by two members of the Special Projects Staff. With the exception of your office, the DIA is not distributed outside the OCB Staff. These abstracts are the result of an examination of all cables and intelligence material received by OCB, and are in no sense an original intelligence publication.

The DIA is prepared five days a week in the late afternoon, and should reach you the following morning. Friday's issue will arrive Monday morning. The primary purpose of the DIA is to cover intelligence materials, particularly pertinent to OCB problems, in a concise rapid-reading form. I hope that you will find it useful.
